Dr. Bouchet is currently Finance Professor at **SKEMA** Business School. He is Managing Director of **DEFI-Developing Finance**, and Board member of **North Sea-Global Equity Management Fund**.

Dr. Bouchet has been Scientific Director of the **Master of Science in International Finance (MScIF)** at CERAM-Sophia Antipolis between 1998 and 2009, as well as Director of CERAM's **Global Finance Center** (www.globalfinance.org) since its inception. Michel Henry Bouchet has been the manager of the new campus of Ceram in Suzhou (China) in 2009. He specializes in country risk assessment and international financial issues.

M.H. Bouchet started his career with the **Secrétariat Général de la Défense Nationale**. He has then held high-level positions in international banking, including at **BNP** (country risk management), the **World Bank** (Senior Economist-financial engineering assistance) and the **Institute of International Finance** (Senior international economist) in Washington, D.C. In 1990, he moved on to form **Owen Stanley Financial SA** which he served as its CEO. The company, a specialized advisory firm dealing with debt restructuring strategy in emerging markets, became a subsidiary of **ING Barings**. Until end-2001, he was Principal Advisor of ING Barings as well as executive partner of FINCONET.

Dr. Bouchet is International Affiliate Professor at ESAN (Lima) and Guest Lecturer at CFVG (Saigon & Hanoi), as well as being a regular speaker in China such as at Zhejiang and Suzhou Universities, in business corporate meetings and conferences. In 2005 he was Visiting Scholar at the School of Management of the Asian Institute of Technology. He is Reviewer of the International Business Review and on the international editorial Boards of International Journal of Islamic and Middle Eastern Finance, Journal of Economics, Finance and Administrative Science, and the Global Islamic Finance Magazine. He is also Expert Witness in international arbitration courts.

Dr Bouchet graduated in Economics from the **University of Paris X** and from the Paris-based **Institut d'Etudes Politiques**. He also holds a **Master** and a **Ph.D in International Relations from USC**, Columbia, USA. He got his HDR from **Université Paris-Dauphine**. He has published extensively, including "Country Risk Assessment" (Wiley 2003, with B. Gros Lambert and E. Clark), "Gestion et Finance Internationales" (Pearson 2004), "La Globalisation-Introduction à l'Economie du Nouveau Monde" (Pearson 2005), "Intelligence Economique et Gestion des Risques" (Pearson 2007, with Alice Guilhon), and "Riesgo-Pais: un enfoque latino-americano" (ESAN 2007).
