#### PROFESSIONAL NON-TEACHING ACTIVITIES

---

- January 1999 – present: WALLSTREETSYSTEMS, Asset, Treasury & Cash Management Solutions for the Financial Industry, Sophia Antipolis, France  
As senior consultant, I am in charge of managing the road map of new products and services to asset management and financial institutions clients (such as European Central Bank, Banque de France, Tetral, AP3, ING, ABN Amro, and Merrill Lynch). I identify critical business processes and best practices in Asset Management and Financial Institutions, and use in-depth market knowledge for the purpose of developing new offering and negotiate strategic partnerships with sales and development partners.
- June 1997/November 1998: PRICEWATERHOUSECOOPERS, European Financial Services- Brussels, Belgium  
I analysed European economic developments and policies affecting the financial services, and took part in reengineering projects for international clients.
- Oct.96/Jan. 1997: J.P. MORGAN, International Banking, Brussels, Belgium  
At the international audit department, I reviewed the risks and key controls of the equity-linked and debt instruments.
- 1994: PRICE BRENT and WARBURG Securities, Investment Banking, Melbourne, Australia  
Financial analysts in charge of the equity review for institutional customers
